

ACKNOWLEDGEMENT OF 2020 HEALTH PROTOCOLS

Please print your name and address where indicated below and then sign, acknowledging that you have read and understand these policies and will comply with them. This is required only once per family prior to your first visit to the pool. Please email signed document to treasurer@poplarheights.org or give to front desk attendant.

Rules for Using the Facilities at Poplar Heights Recreation Assoc. (PHRA)

- **COVID-19 Exposure** – Members should not use any facilities at PHRA if they have a confirmed or suspected case of COVID-19, are experiencing any of the symptoms associated with COVID-19 or have been in contact with someone with COVID-19 in the prior two weeks.
- **2020 Health Protocols** – During the 2020 Season, PHRA will operate under special rules and procedures. The rules and procedures for using the tennis facilities (the “Tennis Rules”) and the Pools (the “Pool Rules”) are posted around the club. The “Tennis Rules” together with the “Pool Rules” comprise the “2020 Health Protocols.” Each Member agrees to read and comply with the 2020 Health Protocols.
- **Updates to the 2020 Health Protocols** – It is expected that the 2020 Health Protocols will change over the course of the 2020 season as government and health guidance evolves and the Board of Directors continues to evaluate the operation of the Club. Each Member agrees to read and comply with any updates to the 2020 Health Protocols.
- **Member Safety** – The 2020 Health Protocols are designed to meet government and health guidance in order to operate PHRA in a safe manner. Each Member acknowledges that there is a risk of exposure to COVID-19 at PHRA even with the 2020 Health Protocols in effect.

I and each member of my household over the age of twelve (12) have read and understand these rules and will comply with them out of respect for the safety and well-being of the PHRA community. I have also carefully explained this form and the tennis and pool rules to all members of my family (ages twelve and under) that may use the PHRA Facilities in 2020.
