Provisional Tennis Court Rules

To confirm your reservation for a court please read the rules carefully. At the bottom sign and print your name where indicated and then sign your name acknowledging that you have read and understand these policies and will abide by them. This form is required only once for your first reservation. All household members on the account playing tennis must be listed on the signed form prior to play.

Rules for play and conduct:

Tennis play is restricted to only PHRA paid 2020 shareholders and renters. No Guests are allowed at this time under the present Covid 19 conditions. Shareholders/renters who have gone inactive are not allowed to participate. Shareholder/renters must use PHRA's reservation system to sign up for court usage. Under Covid 19 restrictions tennis play is restricted to 8:00AM to 8:00PM. To maintain social distancing, players should not gather in the tennis pavilion.

Covid 19 – Members should not use the tennis courts if they are experiencing any of the symptoms associated with Covid 19 or have been in contact with someone with Covid 19 in the prior two weeks.

Entering/Leaving courts - All people entering and leaving the courts are required to sanitize the keypad and door to the tennis courts. All players should supply their own hand sanitizer.

Singles play – Singles play (for 60 min) is permitted on all courts. Book end courts as a last resort.

Doubles play – Doubles play (for 90 min) is permitted for ONLY players from the same household and play is restricted to only the two end courts.

Lessons – PHRA's pros only are authorized to give individual or group lessons (limited to same household members only). The pros will pick up all balls or provide a ball hopper for students to use. Ball hoppers will be thoroughly cleaned after each lesson. At this restricted time this will be for listed paid 2020 shareholders and renters. Instructors and trainers must maintain at least six feet of distance between themselves and their clients. New to 2020, all lessons must be paid via the web site.

Hygiene and social distancing - All players should thoroughly wash or sanitize their hands before entering and after leaving the tennis courts (members should also expect to bring their own hand sanitizer, or antiseptic wipes). Players must adhere to all governmental and CDC social distancing rules (e.g. six feet distance, not gather in groups on and off the court/tennis pavilion is off limits). Upon completion of play, all players must exit the tennis court and club facilities – do not congregate in the parking lot. Please take all trash when leaving the court. Also, we strongly recommend that you do not touch your face until you've had a chance to wash or sanitize your hands thoroughly.

Water bottles and Towels – Members need to bring their own water bottles and towels and remove them upon completion of play.

Tennis Balls – Each player (or family playing together) must use new can of tennis balls and/or clearly mark their balls. Players must only serve using their own tennis balls. It is strongly encouraged to use methods to pick up balls that do not require touching them with bare hands to prevent possible contamination.

Changing ends of court – Player are encouraged **not to change** ends of the court during play or change from opposite side from their opponents.

Failure to comply – Any member found to be in violation of any of these rules will be subject to a suspension of playing privileges for the entire family, and to all other penalties permitted under the clubs Bylaws. There will be no warning issued for violations to rules.

I have read and understand these rules and will abide by them out of respect for the safety of others on my court and the surrounding courts:
